## ABOUT US

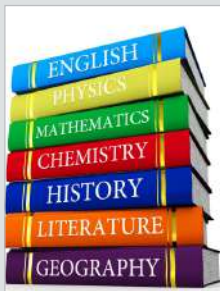

ALEXIS PRESS, LLC  
JERSEY CITY, USA

*ALEXIS PRESS, the motto is to unlock our reader's potential with the best learning and to guide them in their Educational and Professional Careers. Alexis Press strongly believes in Excellence, and whatever we do relates directly to our mission of delivering support and services to academic professionals and researchers across the globe.*

*We intend to cover an extremely broad academic and educational spectrum with an aim to make our content available to our readers in their desired formats. We always raise interest among researchers and endow the benefit to industrial practitioners by disseminating unimpeded access to the scientific research. Alexis aims to empower researchers, learners, universities, corporations and institutions to achieve their goals in this dynamic world.*

*Alexis unveils itself to publishing with a clear mission to create the highest quality academic and educational resources and services and make them available across the Globe. We are steadily expanding our publishing program under the following divisions:*

### Alexis Academics

### Alexis Medical

### Alexis Engineering

### Alexis Agricultural

*Alexis' efforts in making education more practical and useful bears fruits with this fresh set of publications which we receive by welcoming new ideas and concepts, and offering the opportunity for prospective authors, editors, individuals and teams to make their mark.*

*Looking forward to more proposals on the above mentioned divisions for developing and enhancing the global knowledge ecosystem.*

"Education is the most powerful weapon which you can use to change the world. "

– Nelson Mandela.

"Education is not the learning of facts, but the training of the mind to think."

– Albert Einstein
